S THE Arts

September 11, 2020

Dear Eighth Grade Families:

The Freehold Regional High School District offers several Magnet Programs to rising 9th graders. In lieu of the 8th grade presentations typically made at the middle schools in September/October, a series of videos are available on the FRHSD main Magnet Program site and International Baccalaureate site. Students, parents, and guardians can watch all four, or if they are "veterans" to the FRHSD, they can watch the ones most relevant to them. FAQs are also available on the sites.

You are invited to join in on any of the following dates:
