Dear Farmingdale Families,

This Tuesday, September 15, is fall school picture day. We are reserving the first hour of the photo session, from 8:45-9:45, for our remote families.

To sign up for a time slot, please visit our scheduler at [SignUpGenius.com](https://www.signupgenius.com) using the link below. Up to 8 students may sign up per each 15 minute slot. Each student will need his or her own appointment. No downloads or accounts are necessary to sign up.

Lifetouch, our school photographer, has prepared this short [video](#) to demonstrate the precautions being taken to keep everyone safe.

Upon arrival, please park your car in the parking lot behind the building on the Southard Avenue side. Walk to the blue gym door toward the left of the building to sign in. Please wear a mask and maintain a 6-foot distance from other people in line. Your student will be invited into the gym for the picture and will exit the same door when done. Parents may wait outside the school or in their car.

A picture order form was included in each student's welcome folder. Please have your child hand in the form to the photographer or you can also place your order online as indicated on the form. A copy of the form is available on the school website under Helpful Links if you should need another copy or you can call the school to make an appointment to stop by and pick one up.

Please contact us if you have any questions.

In education,
Edith Conroy
