October 1, 2018

Dear Middle School Parents,

"Soup Night" is on for Friday, October 26th. Our plan is to provide soups, salads, breads and desserts. We are depending upon you to help provide soups, desserts, bowls, and utensils for us!

If you are able to help us by providing any of the above mentioned, please return this slip with your email address. We will send you a link to SignUpGenius.com to sign up for soup, dessert, bowls, utensils or anything else you can provide.

We will need your hot soup in a crock pot delivered by 4:30 on Friday. (If you happen to bring a ladle as well, that would be great!) We will be serving from 5:30 to 7:30 PM.

The success of this fundraiser depends upon your participation. We hope to see you on October 26th! Thank you once again for helping us to provide very enriching extracurricular activities for our middle school students.

Sincerely,

The Middle School Teachers
