Introduction to **Specialized Learning High Schools**

FRHSD

Who: 6th-8th graders and their parents

When: October 9, 2018 6:30-7:30pm

Where: Science Lab

Students at Farmingdale School have the unique opportunity to apply to specialized high schools. Attend this information session to find out more about the options provided by Monmouth County Vocational School District and Freehold Regional High School District. Details about the types of programs being offered, deadlines, and requirements will be reviewed.

If you can not attend, information may be obtained at the programs' websites:

Freehold Regional High School District - www.frhsd.com/domain/38

Monmouth county Vocational School District - www.mcvsd.org/

Please let us know if you will be attending by e-mailing Ms. Scott at aundrea.scott@farmingdaleschool.com.
