April 5, 2019

Dear Parent/Guardian:

The crossing guards expressed concern that students have been walking to school prior to their shift and crossing the roads unattended. The crossing guard schedule will be revised effective Monday, April 8th to ensure students' safety.

Please note the following:

- **Starting on Monday, April 8, crossing guards will be on duty from 8:10 am - 8:40 am.**
- If your students walk to school, please remind them to cross at the crosswalks after 8:10.
- The school's bell schedule is unchanged, and the arrival time remains 8:25 - 8:35.
- Please be aware that students are unsupervised if they arrive at school prior to 8:25.
- Students arriving after 8:35 are considered tardy.

Please be mindful of these timeframes when your student(s) to walk to school.

Yours in education,

Edith Conroy  
Superintendent
