

Farmingdale Board of Education

Goal Setting Workshop
Review
17 Oct. 2007

Background

- June 13, 2007, Diane Morris of New Jersey School Boards Education conducted workshop with the entire Board of Education
- Conducted during public meeting

Farmingdale Board of Education Vision

- Parents are active participants in the life of the school
- We provide our students with experiences beyond our school and a firm foundation that will take them anywhere.
- All students meet the NJCCCS
- We meet the needs of all students and their learning styles
- School is the hub of the community
- We maintain the tools necessary to support education (i.e. technology, library Staff members have the tools and training to provide quality programs)

Undated aerial photo of Farmingdale School taken before the middle school was constructed.

Goal Areas

- Learning styles
- Meeting the needs of our struggling students
- Alternate sources of revenue
 - » Foundations
 - » Corporate sponsors
- Culture and Climate
 - » Behavior skills
 - » Character Education
