

FARMINGDALE PTA NEWSLETTER

Dear Parents,

We hope you and your children are having a healthy and relaxing summer. Our PTA's theme in the upcoming school year is *parent communication*. We have decided to take a step in that direction by sending you this newsletter to inform you of upcoming dates and projects we are working on currently.

We will continue to participate in the Box Tops and Campbell Soup label fundraisers. Please save these labels so we will begin school with a great head start. We will also be participating in a unique recycling program that will allow us to help our environment and make our school some money. We will be collecting all used cartridges from computers and fax machines. If you currently work in an office perhaps you can start saving them there too. This is a great way to reuse something that would otherwise be tossed in the garbage. We submit all the various cartridges and are allocated different prices for different brands. We will be setting up a deposit area outside the office area in Sept. Lastly we will be collecting ACME register tape for a fundraiser so please keep all your register tapes. These are all ongoing fundraisers that don't cost parents anything but can help us earn money for our children.

Upcoming Dates to Remember...

Aug. 18, 2005 PTA meeting-Media Center 7:00 pm
(babysitting available),
